

## PUNAHOU WILL BE UP AGAINST IT VERY SOON

If More Games are Postponed  
Team Will Be Too Short of  
Men to Take the Field

Baseball will be played this afternoon at Athletic Park, and unless more rain blows up tomorrow's regularly scheduled games in the Oahu League will be decided. This afternoon the Coast Defense and Hawaii teams come together, play starting at 3:30. The double header tomorrow will bring the Asahi against the Saints in the opener, and the Chinese and Portuguese together in the second game.

The baseball situation in the league has taken on a new aspect, and the entire complexion of the pennant race may be changed if there are any more postponements. This for the reason that the Punahou, now leading the league, will be so depleted in the course of a week or so that the team will not be able to put nine men on the field. Sadler, Lyman and Williams, all of the army, expect to be called out on maneuvers about the middle of the present month. Inman will be absent, and there will be one or two others out of uniform. The Punahou are scheduled to play a postponed game with the Saints October 10. If they win this contest they clinch the pennant, but if they lose their troubles begin in earnest, and it is quite possible that they would have to default any play off in the event of a tie.

As the race now stands, three teams, the Chinese, Coast Defense and Portuguese, have an outside chance of tying with the Castle combination. The Chinese have two more games to play and would have to win both, while the Portuguese have one remaining game, to tie, the Coast Defense and Portuguese have three each, and would have to win all three under the same conditions.

The regular league season was to have ended tomorrow, but on account of postponed games it will be extended to October 15, the extra games being as follows:

Oct. 10—Punahou vs. St. Louis.  
Oct. 11—Chinese vs. Asahi, Portuguese vs. Coast Defense.  
Oct. 12—Portuguese vs. Hawaii, Coast Defense vs. St. Louis.

### GOLFING HINTS.

BY "STRAIGHT DRIVE."  
WITH THE WIND. It is well to take a shorter grip on the club by dropping the hands a few inches farther down toward the club head. This reduces the leverage and gives the player more positive command.  
If inclined to top shots before the wind it is a good idea to play with the ball a bit farther toward the left, so as to give the club head an inch or so further chance of getting firmly under the ball.  
Even a weak, partly skilled ball will gain considerable distance before a gale.  
On the approach before a following wind I have seen many prominent amateurs get into difficulties because they did not take the trouble to use their brains or did not have command of the stroke necessary to gain the exact distance they needed.  
The pitching approach before the wind, closely stopped, is very dependable where the nature of the ground lends itself to assist a closely cut ball, but if the ground is hard as flint much delicacy must be employed.

## MUNICIPAL GOLF COURSE FOR SAN FRANCISCO NOW

[By Latest Mail]  
SAN FRANCISCO.—San Francisco is to have a municipal golf course.

The Lincoln Park Golf Club sprang into being at a recent gathering of enthusiasts held in the assembly hall of the Pheasant building. At this time temporary officers read the prepared constitution to the assemblage and made known the purpose of the organization.

It was explained that the club was organized in order to promote interest in public golf playing in this city. It is the plan of the organization to hold tournaments and competitions upon publicly owned links, inviting all enthusiasts of the municipality to participate.

The Lincoln Golf Club will hold its tournaments and also all competitions at Lincoln Park in the Richmond district. The course is one of nine holes and is in a state of partial completion. The club members desire in effecting a permanent organization to invite the co-operation of the park commission to secure better facilities. The club has announced that an exhibition foursome will be staged a week from next Sunday upon the Lincoln Park course, the participants to be Jack Neville, Heinrich Schmidt, Vincent Whitney and a fourth player, probably Harry Davis.  
The following officers were elected at the meeting:  
President, Joseph R. Hickey; first vice-president, Ed Brandstein; second vice-president, place left open; third vice-president, Godfrey Bacret; secretary, J. S. C. Shaw; treasurer, Reader T. Lyons. A board of six directors was chosen, the first three to serve one year and the last three to serve for two years. Those elected were: Mrs. Lenor E. Shaw, Captain E. Sealy, H. J. Middagh, Miss May Bachman, Gus H. Radke and A. L. Whittle.

## Ray Caldwell Jumps Yankees After \$300 Fine is Imposed

RAY CALDWELL

NEW YORK.—Ray Caldwell, the star twirler and pinch hitter of renown, has jumped the Yankee camp, and no one knows where he is. The presumption is that he is preparing to play with the Buffalo Federal league team, but Frank Farrell says that he has an ironclad contract with Caldwell and will appeal to the law to prevent Caldwell's working for another team. Caldwell has been a bad boy for some time, and because of his breaking training rules he was fined \$300 by Manager Chance in Boston. Then Caldwell disappeared. It is known that he had been flirting with the Federal league, and it is presumed that he received enough advance salary to afford to lay off the rest of the season if he wants to. Caldwell is a great pitcher, but he has his own ideas about what time he should go to bed.

## A BENCH MONOLOGUE

BY HUGHEY FULLERTON.

Character. A Manager — George Stallings.  
Stalling: Boston. Time: Any Day.  
That's the boy, Hank! Get on there this time. Wait him out! Make him pitch to you! You're the boy! Now, if you pinheads only had the baseball brains Hank has! Watch him up there! Get a lesson from him! See him look 'em over and wait! That baby never takes a swing at a bad one. One ball. That's the waiting. Hank, that's the waiting! You've got him worried. Shut up, Whitted! At a boy, Hank. Make it come over! Don't waste anything.

Look at that third baseman creeping up him. Old Hank has his eye on him. He'll bust one over there so fast—SHUT UP, WHITTIED!

What? Strike? Why that blind burglar back there—Never mind. Hank, old boy, make him pitch! You're the baby! Two balls—Watch him wait—What? Did he take that one? Say, that sparrow-brained fool hasn't sense enough to pound sand into a rat hole.

Right across the middle, and he took it? Did you fellows see him? I'll trade him to Wapping Falls for a one-armed scarecrow! He never could play ball. I don't see what the dickens I ever allowed him to borrow a second-hand uniform for. Talk me a strike like that.

SHUT UP, WHITTIED! I bear any more of your yawn I'll send you where you belong. You're in the same class with Hank. If ten like

## BASEBALL NOTES OF THE 25TH INFANTRY

[Special Star-Bulletin Correspondence]  
SCHOFIELD BARRACKS, Oct. 3. The 25th Infantry regimental team will play the Hawaiians tomorrow at 2:30 p. m. at the post athletic park. The following Sunday they will play the St. Louis team of the Oahu League. Lieutenant R. P. Harbold is making plans for another company series to begin sometime in November. The company teams will be much more closely matched than they were in the series last spring.

K Company has been doing some sensational baseball stunts during the past few days, defeating C Company 1 to 0, and playing a wildly exciting game with M Company Thursday afternoon, winning by a score of 3 to 1. K Company not only won the game from M but also 45 gallons of beer from that same organization. The rooting at this game was heard all over the garrison, and the curious who saw a consequence drifted that way were rewarded with a rattling good exhibition of the national pastime. In the seventh inning C. Smith, the regimental first baseman who was playing second base for M. Company, made a wonderful one-handed catch of a drive that should have been recorded as a hit by all the rules of the game. In making the play Smith was running backward at full speed and gath-

ered in the ball with his bare hand. In the ninth Fagan, the K Company second sacker, duplicated this play, and Fugot in the right field ran in on a single at a 10-second pace, scooped the ball off the ground and threw the runner out at first. The batteries were: M Company, Shaw and Nichols; K Company, Redman and Spillman.

## COAST LEAGUE IS STUCK WITH MISSION CLUB

[By Latest Mail]

SAN FRANCISCO.—With every club in the Pacific Coast league represented, Judge W. W. McCredie, Harry Wolverton and Lloyd Jacobs having rushed from Portland to be in attendance, no disposition was reached at the special meeting to discuss the "peddling" of the orphan Mission club.

As yet the coasters are still waiting on the business men of Sacramento, who have not given their answer to finance the club and rehabilitate themselves in class AA baseball.

While no official statement has been made by President Baum or the delegates in session, it is understood that the proposition, briefly, stands as follows:  
Cal Ewing and his associates refuse to consider the project of establishing a second team permanently in San Francisco and have so announced themselves. Also Messrs. Ewing and Ish do not believe that it would prove a success to give Oakland as much as fifteen weeks of baseball, particularly with rival games on the San Francisco side of the bay, and have so declared themselves.

The debate just now seems to be as to whether the Coast league as an organization will bind itself to the support of the sixth club in the league. As put forward by one of the delegates, it is possible that the league would be willing, in the event of Sacramento men financing the team another season to guarantee them against loss.

Mention was made of the possibility of having continuous ball in Portland, which might be one way of solving the perplexing situation, but there was no debate and Judge McCredie did not express himself as to whether he would favor such a scheme. A majority of the magnates, however, apparently do not feel that such a plan is feasible, and Judge McCredie, after the gathering at the Continental hotel, was anything but enthusiastic.

No Curtailing Season.  
President Baum most emphatically denied the rumor from Portland that the Coast league had any idea of curtailing its season.

"That contingency has never even been thought of, let alone discussed," he said. "You can say for me that we have no intention of dropping any games from the schedule but will go through with our full season as planned. What will be done another year is a question for the league owners to decide at their annual meeting. I can't imagine how such a rumor got around."

"So far as the Sacramento or Mission club is concerned, the committee that went to Sacramento reported on its action. The league is simply in a respective mood as far as Sacramento or any other city is concerned. If the business men want a club, and are prepared to take an active interest, we are prepared to talk with them."

That's the boy, Hank—Great waiting! See that eye! If some of you guys had Hank's brains and nerve you'd be good ball players—He'll walk now. Some of you feather-brains get ready—WOW. He fouled that one. He'd have walked if he had any sense. What I want to keep that fellow around for is more than I can guess. He'll never be a ball player. He hasn't sense enough to make water run down hill.

SHUT UP, WHITTIED! You laughing hyena, or I'll plank a fine on you that will starve you to death this winter as you ought to be, WOWIE! Look at that baby hit! Spanked it right between the seams, and SEE HIM GO! Best young ball player in the world. I've said for five years he was the best and smartest player in the world, and was bound to be a winner.

I wouldn't take \$25,000 for him to-day. Now get up there, Whitted, and lay one down. You're the baby. More brains and nerve than any of them.

## ENTRIES FOR THE ISLAND TENNIS EVENTS NOW OPEN

Entries for the Hawaiian tennis championships opened today at E. O. Hall, and on October 7 the first events on the schedule will be started. It is planned this year to play off all the women's events first, winding up the tournament with men's singles and doubles.

The women's singles and doubles and the mixed doubles will be played at the Neighborhood courts. The men's singles and doubles will be played at the Moana hotel courts, the hotel management having extended an invitation to decide the 1914 championships there.

## COLLEGE OF HAWAII WILL GET FOOTBALL

According to officers of the Inter-scholastic Football League there has been no discrimination against the College of Hawaii in arranging this year's schedule. The fact that the college does not figure in the list of games is due to a general misunderstanding.

The football men of the College of Hawaii have adopted a lengthy resolution asking that the application be re-considered, and the chances are that such action will be taken.  
"As a matter of fact, the Inter-scholastic League has made no rule touching the College of Hawaii," said a member of the league this morning. "It was not known that the College of Hawaii was to have a team until after the interscholastic schedule had been arranged. The request of the college will probably come before the league at the next regular, or at a special, meeting."

"It is not unlikely that the College of Hawaii will be on the schedule yet, but owing to the lateness of the date it is more probable that Punahou, McKinley and any teams that wish will give the college eleven some games off the regular schedule."
